The Grange: You Belong.

Who We Are

The National Grange, founded in 1867, is a nonprofit, nonpartisan, fraternal organization that advocates for rural America and agriculture. With a strong history in grassroots activism, family values and community service, the Grange is part of more than 2,100 hometowns across the United States.

The Grange is the first national organization to give full voice and vote to women, 50 years before Congress adopted the same. Our passionate style of grassroots vigor has ensured that the average citizen is fully represented in public policy dialogue for nearly 150 years.

Family and community are the foundations of the National Grange. Traditional family values are promoted, taught and woven into Grange activities and events. We are proud to have all generations come together to learn from one another and build a stronger America, one community at a time.

The Grange is active in local communities, and Grangers have been responsible for a myriad of service programs, from providing dictionaries to third-graders to raising thousands of dollars and contributing millions of volunteer hours to worthwhile projects.

Each year, the Grange supports students with scholarships, provides summer camps for children at low or no cost, raises awareness about local and national issues and bears with joy the responsibility of being good neighbors and stewards of the American dream.

Grange Members serve their communities and cultivate life-long friendships.

Members say the lasting friendships, family environment, opportunities for community involvement, continuing personal growth and leadership development, as well as the ability to make a difference are all reasons they, and many of their family members, have joined the Grange.

Grange Members have fun!

Grange meetings, activities, and events always include a social aspect that has fellowship as a cornerstone. Members make friends in their community, their state, and across the nation that last a lifetime.

“Through the Grange, I can better myself, my future, my community, my nation and the world.”

Grassroots Advocacy

The National Grange is a highly engaged rural and agricultural advocacy organization that is proud to be the voice of Rural America's communities across the United States. Our 145 year legacy of remaining non-partisan allows us to advocate on behalf of our membership by letting our member-driven policy be our guide.

When joining the National Grange, expect to be encouraged to engage with your local, state and national representatives on legislative and regulatory issues affecting your community. Each year we host a National Grange Legislative Fly-In, open to all members who wish to discuss issues of importance to the Grange with their elected Congressmembers. At the National Grange, we have a strong commitment to civil stewardship and celebrate the responsibilities of citizenship.
